

# shared-use kitchens

**we're bringing local back**

**our kitchens are**

**fully equipped • certified • available now!**

## **rent kitchen space:**

- start up or expand your **food business** in a certified kitchen
- create **value-added products** for sale at farmgate
- **gather friends** to **preserve** Perth County produce
- **make a meal** for a crowd - and keep your home kitchen clean

## **participate in classes for children and adults:**

- **ice cream making** with locally-sourced ingredients
- artisanal and gluten-free **bread making**
- **grow your own food** - plant now for next year
- you say **tomato**, I say **salsas, soups** and **sauces**
- the buzz about **bees** - a **honey** of a workshop

**and that's just a sampling of what we're cooking up!**
