

KIDS COOKING CLASS

We're makin'

Mac & Cheese!

This is the REAL DEAL! We're making comforting macaroni and cheese from scratch using local ingredients. Each of our junior cooks will have the opportunity to customize their pasta with additional meat and vegetables and will bake off their unique creations in individual miniature casserole dishes. And while their food is baking, we'll be doing crafts with (what else?) MACARONI!

CLASS LOCATIONS & TIMES:

Mitchell Community Centre

Tuesday, March 15th, 9:30am - noon
